- Garlic: 1 clover
- Lean beef: 14 oz
- Mint: a few leaves
- Mint / Sage: a few leaves

- Pepper: to taste

- Taggiasche Olives: 3,5 oz
- Yellow peppers: 1

## For this recipe we used:

Chopped Tomatoes 8,81 oz

## Preparation

Wash and clean the vegetables and dice them not too small. Julienne the onion and sauté it in a pan with EVO oil, capers and minced taggiasche olives.

When the onion has gained a nice golden-brown colour, add the other vegetables one by one: eggplant first, then peppers and zucchini. When the vegetables have lost almost all their liquids, add **Pomi chopped tomatoes**, cook for further 20 minutes and season to taste, then let it rest.

Now strip-slice and stir-fry the beef in a pan with EVO oil, a garlic clover and some sage and mint. Finally serve separately.
